

The Naval Cryptologic Veterans Association

The Executive Director of the NCVA takes pleasure in presenting the

NCVA DISTINGUISHED SERVICE AWARD

to

**Senior Chief Cryptologic Technician (Technical)
Joseph A. Glockner, USN (Retired)**

for service set forth in the following **CITATION:**

For distinguished service and conspicuous dedication to the Naval Cryptologic Veterans Association (NCVA) not JUST as a member, but as the owner and creator of his NAVYCTHISTORY web pages – where countless thousands of entries by current and former naval cryptologic technicians and officers as well as historical information and photographs of our previous duty stations reside. Nowhere else on the internet is this information captured in such a complete and comprehensive manner and no other sister service has anything like this for their community. We did not ask Joe to do this for us - he did this on his own initiative, because of his love and respect for the profession he served faithfully for many years. It is a mark of true respect that when people ask if they know the whereabouts of a former shipmate, one of the first responses is to ask them if they've checked Joe's NAVYCTHISTORY web pages. It is with great pleasure that I extend to Joe my sincerest thanks for all his tireless efforts in keeping our shipmates "connected."

GIVEN UNDER MY HAND THIS 7th DAY OF MAY, 2016

A handwritten signature in black ink, appearing to read "W. H. Hickey", is written over a white background.

Executive Director, Naval Cryptologic Veterans Association
